

## Personal Safety On and Off Campus

Equip yourself with knowledge and be prepared to keep yourself safe.

### On Campus

- Review NYFA's Student Handbook and Emergency Response Guide located online at the NYFA Student Hub.
- Sign up for NYFA's free Emergency Alert System at: <https://asp.schoolmessenger.com/nyfas/subscriber>
- Walk in pairs to class or to your car.
- Only accept rides from friends or transportation services you know well and trust.
- Notify NYFA administration of any concerns you may have. You should always feel safe in and out of class and with any NYFA student, staff or faculty.

- Keep friends and family up to date on your safety with the help of free personal safety apps such as *Circle of 6* or *Watch Over Me*.
- Trust your intuition - if you feel unsafe, remove yourself and friends from a situation.
- Go out with friends you trust and leave parties/bars/clubs together.

### Off Campus
