

PRIVACY VS. CONFIDENTIALITY

NEW YORK FILM ACADEMY

“Privacy”: NYFA offices and employees who cannot guarantee confidentiality will maintain privacy to the greatest extent possible. Information provided to a non-confidential resource will be relayed only as necessary for the Title IX Coordinator to investigate, provide supportive measures, and/or seek a resolution.

Private Resource

The Title IX Coordinator is available to address any concerns, answer questions about the Formal Complaint process, process a Formal Complaint, and help identify additional resources on and off campus.

“Confidentiality”: the ability of identified confidential resources to not report crimes and violations to law enforcement or NYFA officials without permission, except for extreme circumstances, such as a health and/or safety emergency or child abuse.

Confidential Resource: On Campus
